

About to go into a meeting with Jaime: How are we feeling about fundraising numbers this month?

Patrick (Chief Mobilization Officer)

Things were looking good, but we've been in a bit of a slump. If we're going to close the gap for the month, we're going to need more support from our grassroots donors.

Lauren (Deputy Chief Mobilization Officer, Grassroots Fundraising)

Yeah, email fundraising has been slow today. We can send an SMS tomorrow to try to get things to pick up a little, but that might not be enough.

Jess (Email and SMS Director)

Do you think folks know how important this month's FEC deadline is?

Nick (Deputy Director of Email and SMS)

We should explain what their donations will go towards: early investments in voter protection, grassroots organizing, and all that.

Patrick (Chief Mobilization Officer)

And make it clear that voters are heading to the polls this November, too. No off-years!

Lauren (Deputy Chief Mobilization Officer, Grassroots Fundraising)

Yes! Nick, let's send this message out ASAP.

Jess (Email and SMS Director)

Alright, gotta head into this meeting. Can't wait to see how our supporters step up!

Patrick (Chief Mobilization Officer)
